Telecommunications Regulatory Commission

Notice of The Grant of Frequency Authorisation

(17th July 2025)

TAKE NOTICE THAT:

The Telecommunications Regulatory Commission of the Virgin Islands (the "Commission") hereby notifies that it has granted updated and renewed frequency authorisations to the following licensees: Cable and Wireless (BVI) Limited ("FLOW"); Caribbean Cellular Telephone Limited ("CCT"); and Digicel (BVI) Limited ("Digicel")

These updated authorisations replace previous frequency authorisations that expired in 2022. The renewal and update process involved reviewing and revising the frequency authorisation template through a public consultation. As a result, the terms and conditions governing the use of the assigned radio frequencies by the aforementioned mobile operators have been modernised to align with regulatory and technical standards going forward.

The authorisations have been issued as follows:

FLOW – Authorisation Number VRGM/002/2022

CCT – Authorisation Number VRGM/003/2022

Digicel – Authorisation Number VRGM/001/2022

TAKE FURTHER NOTICE THAT:

In accordance with section 19(4) of the Telecommunications Act, 2006, this notice is being published on the Commission's website, in the Virgin Islands Official Gazette, and in a newspaper published and circulated in the Virgin Islands.

When published, the notice document will be made available at the Reception desk of the office of the Commission located at 3rd Floor, LM Business Centre, Fish Lock Road, Road Town, Tortola, British Virgin Islands. Alternatively, a copy of the consultation document will be available on our website (www.trc.vg).

The person responsible for this notice is Mr. Guy L. Malone, Chief Executive Officer, and he can be contacted at gmalone@trc.vg. All queries in relation to this notice should be copied to Mr. Gregory Nelson, Chief Spectrum Officer, at gnelson@trc.vg.

Issued by the Telecommunications Regulatory Commission on the 17th day of July 2025.

(Sgd.) Guy L. Malone.

Chief Executive Officer
