GMDSS Sea Area _____

GMDSS Sea Areas

Sea Area A1 means an area within the radiotelephone coverage of at least one VHF coast station in which continuous DSC alerting is available, as may be defined by Contracting Government.

Sea Area A2 means an area, excluding sea area A1, within the radiotelephone coverage of at least one MF coast station in which continuous DSC alerting is available, as may be defined by Contracting Government.

Sea Area A3 means an area, excluding sea areas A1 and A2, within the coverage of an INMARSAT geostationary satellite in which continuous alerting is available.

Sea Area A4 means an area outside sea areas A1, A2 and A4.

- Refer to regulations 7 of the SOLAS Convention 1974 for additional information.

SECTION G – DECLARATION

I declare that all details shown above are correct to the best of my knowledge and that there have been no changes in the license or to the previous application form submitted and that I will abide by the terms of the Licence. I also declare that I have no objection to information (if applicable) being disclosed to the International Telecommunication Union and port authorities for Search and Rescue purposes.
