TELECOMMUNICATION REGULATORY COMMISSION

[REGULATION 16]

FORM I

The Telecommunication Act 2006

Territory of the Virgin Islands (British)

LICENSE TO INSTALL AND OPERATE BROADCASTING STATION

DEPARTMENT OF DISASTER MANAGEMENT hereinafter called the "Licensee" is hereby authorised (subject in all respects to the Telecommunications Act and Rules) to establish, install, work and operate a broadcasting station (hereinafter called the "Station") at **CHALWELL PEAK TORTOLA, BVI VG1110** until the **24** day of **March, 2026** subject to the following conditions:-

1. The Licensee shall observe the provisions of the International Telecommunications Convention, 1974, and the Radio Regulations annexed thereto in so far as they are applicable to the Station.

2. Messages shall be sent only on the frequency within the band and by the type of emissions following:-

Power in Watts	Frequency in KHz	Approx. equivalent in wavelength	System
5kW	88.7 MHz	423 METERS	FM BROADCASTING

3. The call sign **ZEOC** is allotted to the Station and shall be used as prescribed by the said Radio Regulations, and the Telecommunication Rules.

4. The Station shall be used in such manner as not to cause interference with any other stations outside the authorised band.

5. The granting of this Licence does not authorise the Licensee to do any act which is an infringement of any copyright which may exist in any matter transmitted or received.

Date of issue: **24 March, 2022**
